

VL Motion Systems Inc.

precision in movement

BINDER

ELECTROMAGNETIC BRAKES

- AC & DC spring applied brakes
- Permanent magnet brakes
- Spare parts and replacements
- Repair services

SMALL POWER GEAR MOTORS AND REDUCERS

- 1/150 – 0.33HP
- 12VDC, 24VDC, 90VDC
- Helical inline or right angle worm gear
- Flange mount motors
- 0.1 – 3.0HP
- 115VAC, 230VAC, 460VAC, 575VAC
- Helical inline, foot and flange mount
- Right angle worm gear, solid and hollow shaft
- NEMA input gear reducers

MASTERGEAR

MANUAL GEAR ACTUATORS

- Quarter turn (90°) manual valve operators up to 2.5 million in-lbs torque
- Bevel gear actuators up to 264,000 in-lbs torque and 675,000 lbs thrust
- Declutchable actuators for manual override of pneumatic and hydraulic quarter turn actuators
- Chain wheels, floor stands, custom mounting designs

Hansen
TRANSMISSIONS

LARGE POWER GEAR REDUCERS

- Parallel shaft and bevel gear reducers up to 7.1 million in-lbs output torque
- 18 sizes in two, three or four-gear stages
- Drive package solutions comprising gearboxes, couplings, motors, brakes and base plates
- Spare parts and replacements
- Repair services

BONFIGLIOLI

GEAR MOTORS AND SPEED REDUCERS

- Worm gear and helical gear motors and speed reducers
- Planetary gear reducers
- Authorized build center
- Large off-the-shelf inventory
- Repair services

BAUER

EBERHARD BAUER

- Complete range of spare parts and replacements
- Technical support and application assistance
- Repair services

DELTA

FREQUENCY INVERTERS

- 0.25 – 300HP
- 115V, 230V, 460V & 575V
- UL, C-UL and CE approved
- IP20, NEMA 1 and NEMA 4
- 1 phase input / 3 phase output

LINECARD
